One man's trash is not a fishes' treasure.
Litter if you dare, and don't have any care.

Where there is trash, there's no hope: turtles will choke!
The dolphins will die if you let the trash by.
Polluting isn't a water sport!
Get rid of the plastic...Our ocean's fantastic!
Keep our ocean clean so sea creatures can be seen.
Trash-where we are drinking... What were you thinking?
Trash doesn't swim.
Stop it. Don't drop it!
When in doubt, throw it out!
Fish won't flow if you let the trash go!
Stop! Don't let it drop or roll!
Don't pass your trash to the sea.
We want to hear dolphins singing, not soda cans clinging!
